Sharps Disposal at Putnam Hospital

Safe disposal of medical sharps (syringes, needles and lancets) is critically important to optimize health, safety and protection of the environment and the community. See the sharps disposal program outlined below:

- Sharps can be dropped off at Putnam Hospital from 8:00am-3:00pm Monday – Friday at the front desk in the Main Lobby.
- The staff at the front desk will accept the containers. Sharps cannot be left at the front desk unattended.
- Putnam Hospital will accept sharps that are in sharps disposal boxes or plastic detergent containers and must be labeled “HAZARDOUS WASTE”.
- Putnam Hospital provides sharps containers free of charge in exchange for used containers. Request replacement sharps containers at the front desk
